

For more information on the Xerox 8365 & 8390, please contact your Xerox Wide Format Representative or visit [www.xerox.com](http://www.xerox.com)

# Specifications

| Product Names                       | 8365   | 8390                             |
|-------------------------------------|--|----------------------------------|
| Technology                          | Drop-on-demand Piezo Inkjet Technology           |                                  |
| Maximum Media Widths                | 65"/1600mm                                       | 90"/2200mm                       |
| Maximum Print Width                 | 64.68"/1643mm                                    | 88.58"/2250mm                    |
| Ink Configuration                   | CMYK/CMYKLcLm                                    | CMYK/CMYKLcLm                    |
| Multiple Print Modes / Resolutions  | 360 x 360, 360 x 720, 720 x 720, 1440 x 1440     |                                  |
| Roll Media Core Diameter            | 3"   | 3"                               |
| Roll Media Diameter / Weight        | 100KG  | 100KG                            |
| Motorised Roll-off / Take-up System | Standard   | Standard                         |
| Power Supply                        | 240V single phase                                | 240V single phase                |
| Power Consumption                   | 1100W  | 1400W                            |
| Working Environment                 | Temp 18/32°C Humidity 18-32%                     |                                  |
| Noise Level                         | Operating 60dB                                   |                                  |
| Standards                           | VCCI (Class A), FCC (Class A), UL, CE, CCIB, KTL |                                  |
| External Dimensions                 | 3070 (W) x 720 (D) x 1220 (H) mm                 | 3700 (W) x 720 (D) x 1220 (H) mm |
| Weight                              | 265Kg  | 295Kg                            |
| Print Speed                         | 2 x CMYK   | 1 x CMYKLcLm                     |
| Top Speed (360 x 360)               | 6.0 – 42.0                                       | 3.0 – 22.0                       |
| Production Speeds (360 x 720)       | 5.8 – 22.8                                       | 2.9 – 11.5                       |
| Production Speeds (720 x 720)       | 3.0 – 13.0                                       | 1.5 – 6.5                        |
| High Quality (1440 x 1440)          | 1.5 – 3.0  | 0.8 – 1.6                        |
